

Behind the Scenes Stage show at the London Palladium

Two of the world's biggest YouTube stars took to the stage at the London Palladium in a multi-camera HD shoot for a tour DVD. Here's how we put the production together:

Remote
pan and
tilt head

PGM record and
full ISO record

Key project requirements:

- Trickbox[®] flyaway
- Overnight rig
- 9 Sony HDC-2500 cameras
- Canon XJ86 lenses
- 1 telescopic tracking dolly
- 25PsF record format
