

Behind the Scenes

Live coverage of the 2015 Scottish Referendum in Edinburgh

Tasked with taking Good Morning Britain's usual studio programme onto a roof in Edinburgh to capture the 2015 Scottish Referendum results, we put together this tech spec:

Key project requirements:

- Trickbox[®] flyaway
- 4 Sony HDC-1500 camera channels
- Audio fibre links
- IFB
- Satellite uplink
- Live for 4 hours continuous
