

Behind the Scenes

Multi-camera filming of live music performances at V Festival

With the brief to film artists such as Kodaline, Star Sailor, and James Dean Bradfield, plus to create a cinematic look and feel, this was the tech spec we put together:

Steadicam with RF link

Steadicam with RF link

Osprey track and skid

TRICKBOX^{TV} PPU

Audience screens

PGM record and full ISO record

Key project requirements:

- Trickbox[®] flyaway
- 2 day event
- Live music performances
- 5 Sony F55 cameras
- 1 steadicam with RF link
- 1 camera track
